IL4M Fuck Me Harder SCRIPT (2015)**

***For a female narratrix***

Here we are again, just you and me. Calm, relaxed, peaceful and anticipating. I know you are excited thinking about what is going to happen, but for now—just relax. Take a deep breath in, hold it and let it go. Push all the negativity from your mind as you exhale. Pleasure is good. You are alone and comfortable. Just relax. Keep breathing for me, naturally. Slowly. Feel the delicious tingle racing through your veins as you breathe in and the warm pleasure deep in your belly as you exhale.

I want to take you deeper this time. It is okay, you are safe. You are in complete control of your mind and body we are just going to relax. I am going to count from five to one and when I reach one you are going to be so relaxed and very, very aroused. Five, feeling your body sinking into the surface on which you lie. Four, each word I speak makes your skin more and more sensitive. Three, fuck, feels soooo good. Two, you want to feel everything—and you will, one—you're so relaxed and so horny.

You know how much I love to be with you. When I am not with you, I am thinking about all the things we have done and all the new discoveries that wait for us. I want to have you all the time, whenever I want. Stroke your cock for me baby, get it nice and hard. That's good. Feel me close to you, my warm body against yours, my lips on your neck, my hot pussy against your thigh. It makes me so hot to watch you touch yourself. Kiss me, feel the pleasure surge through you as our tongues fight, our mouths searching. Kissing you so deeply.

You are so hard now, your cock stretching filled with heat. I am so excited, and I want you now. I want you deep and hard, without control. Fuck me.

You see me bend over, the short nightie rising up over the cheeks of my ass and exposing my cunt to you. So pink, so wet- the swollen lips of my cunt waiting to be opened. Push your fingers inside me. Feel how wet I am for you. OOOH, so good. I need you—I need you to fill me. Your cock is aching to be inside me- don't wait, I am ready for you. Push your cock into me all the way. Feels so good, my warmth clinging to your cock. Drawing you deeper. Fuck yes, I need you. Sliding in and out slowly and completely.

Feel the way your cock fits inside my cunt. Stretching me, oh, you are so deep. I can feel you rocking your hips, trying to work your way just a little deeper. Moving now a little faster your balls slapping against my ass. Grab my tits and hold on. I love when you pinch my nipples like that. OH, it makes me want to come already. I am going to try and hold on. I want this to be big for both of us. An explosion. Ooh, so good. Faster now—fuck me harder—take all of me. Just the way you want to fuck me. Don't worry about anything but feeling good. I am giving myself to you - all of me, take it. Pound me, give it to me. Fuck me hard. Oh, you are so deep, so thick. It aches a little every time you drive it home. I can feel a little pain, but it feels so good.

Feels so good to fill me, doesn't it? Yes, yes, yes, just like that baby. You are fucking me so good. I am going to come for you. I can't hang on. You are hitting every spot. Feel my cunt tightening, squeezing, and getting wetter. You know I am close. Look down and see your cock sliding in and out of my cunt. Put your thumb in my ass and feel your cock sliding against it oooooooooooh that feels so good.

You can feel my legs trembling, see the gooseflesh on my back. I am so fucking going to come for you- pull your thumb out NOW!!!!!!!!!!!!!!!!!!!!!!  
Oh fuck, make me come.

(Orgasm is ok here, if you feel so inclined)

Oh that's good, I want to ride you now. Get down on the floor and let me finish you off. You see me straddling you, standing over you- my cunt open for you to look at. Touch me, explore me. Feel how hard my clit is, how wet I am. So wet for you. Ahh, that is good. I am going to come again, push your fingers into me and find my spot I want to gush for you, come all over you. Just there! Oh fuck yes, don't stop it is good. OH I am coming... feel the hot spray of my juices rain down on your face, your chest. I am coming all over you.

(An orgasm here would be good, too.)

Do you want to come on Me? Do you want to shoot your hot load all over my breasts? Do you want me to ride you hard until you explode? I am so hot for you. I can't get enough. I am a greedy little slut aren't I?

Feel me sit down on to your cock, slowly letting it fill me all the way. Moving against you, so my clit rubs in the hairs at the base of your cock. Are you ready? Hang on tight, because I am going to ride you hard, just as hard as you fucked me. Feel me moving up and down, my cunt gripping your cock as it slides. So slippery, so warm, so tight. Feels so good. Your balls are aching full for me, your cock is stretching ready to explode.

You can feel the pressure building as I increase my pace. Faster, deeper, harder. I am losing control. I want this, you want this, we are going to explode together. Grab my tits and squeeze them. You can feel my long

hair brushing across your nipples as I lean down to kiss you. Just let go of everything feel the pleasure feel the release so close. I want you to feel everything. I am fucking you, baby, just how you like it. Just the way you want me to. So good -so good- so good. Faster, deeper, out of control. Grab my hips, move me, our bodies so close now. My clit dragging across your skin. Moving back and forth back and forth. So fucking good, faster baby, that it. Yes yes yes yes, oh god, I am so fucking going to come again.

I love when you control my body like this. I love giving you pleasure. Your cock feels so good inside me. Feel it all. Feel the pressure, the heat, the intensity feel your orgasm cresting. You are going to come so hard for me. I am going to count from three to one—hold on baby—and then you are going to explode. Here we go; 3 - feel it so close, 2- fucking you so hard, 1- come for me!! Come so hard for me

Oooh, I am coming so hard....

(Having an Orgasm here would be very good.)

(Pause)

Breathe and relax.

Feel the pleasure. MMM so good. Feel me rest my body on yours. Our hearts pounding. Take a deep breath and feel your heart beat start to slow. Your breathing become normal. Wrap your arms around me and feel the intimacy. The care I feel for you. So good to share this time together. So good to be close.

I am going to take you back now. I will count backwards from 3 to 1 and when I reach 1 you will wake up, remembering everything that has

happened and you will feel refreshed and full of peace. 3, everything is good, 2-wake up now, 1, come back, my darling.

Welcome back. I hope you enjoyed this experience as much as I have. We will have to do this again.
